Dear Mr Ashton

26 Stanhope Road

We acknowledge receipt of your online registration order ID 43548 and fee for this project and confirm that it is now registered with the Considerate Constructors Scheme.

According to our database, this is the first site you have registered with the Scheme. If this is the case and you would like someone to visit your offices, free of charge, to explain the purpose and requirements of the Scheme, please let our administration office know.

We will contact you shortly to confirm the information for the site posters and the address to which you wish them to be sent.

I enclose an information pack about the Scheme and would direct you to our website at www.ccscheme.org.uk for further information. Of course, please also feel free to contact us directly if you have any other queries at all.

In the meantime, welcome to the Considerate Constructors Scheme and we hope you will continue to register your sites.

Yours sincerely

Edward Hardy
Chief Executive
