4. Description of the Proposal

Please describe the proposed single-storey rear extension.

Demolition of existing single storey extension. This extension is poorly constructed and not fit for purpose for a growing family. The existing extension is full width and extends 3m beyond the existing house.

The proposal is to replace this extension with a single storey rear extension. The new extension will extend 3m along 20% of its width, and 4m for the remaining (see proposed ground floor plan)
The height of the extension is to match the neighbour's existing extension at no.24.

The proposal also includes a loft conversion, the size and proposed materials of which are all within Permitted Development rights.

(a) How far will the proposed extension extend beyond the rear wall of the original dwelling measured externally ?	4	metres
(b) What will be the maximum height of the proposed extension, measured externally from the natural ground level?	3.3	metres
(c) What will be the height at the eaves of the proposed extension, measured externally from the natural ground level?	2.95	metres
