Subject: FW: 6 ANNINGTON ROAD,N2 9NB - HGY/2014/3553

APPLICATION REFERENCE No. : HGY/2014/3553

SITE ADDRESS: 6 ANNINGTON ROAD, N2 9NB

OBJECTION MADE FOR AND ON BEHALF OF MUSWELL HILL & FORTIS GREEN ASSOCIATION.

OBJECTION:

The property is adjacent to the Fortis Green Conservation Area and consequently the external appearance is important. The proposal envisages the replacement of what appears to be the original leaded light front door with a wholly inappropriate glazed framed solid wooden door which militates against the cohesive design if the original building and the area as a whole. While the Association does not support the application it is of the opinion that this element is unnecessary and detrimental to the community and should be resisted even if it means that the whole of the application is not permitted.

Nick Barr,
Planning Officer,
Muswell Hill and Fortis Green Association.
