Comments: When is it proposed the construction will commence?
And for how long will the construction continue?
What are the start times and end times in the day of the construction work?
Will there be construction work on Saturdays? If so, when is it planned to commence work?
Will there be construction work on Sundays?
What will be done to ensure minimum noise and disruption to immediate neighbours?
It is important that the construction workers do not use any abusive language.
It is important that the construction workers do not use unnecessarily loud voices (shouting) or play radios at high volume.
