Submission: Objection
Comments: Hi as this property is a rental property and not a family house hold i feel their is to many people in this property as it is with already five to six bedrooms with the extension built a few years ago we have residence of this property climbing on top of the extension to sit and unfortunatly overlooks our garden which gives us no privacy at all if the loft conversion goes ahead again we lose our privercy by being over looked and over shadowed we have lived here for over thirty years and to have this built for more rental rooms for more profit is unexceptable and unfair
