Yellow Handmade Bricks

Hand Made London Yellow Bricks, Imperial Size

Genuine handmade brick made to replicate the famous old London look. These London Bricks can be used for structural work or simply just for decoration.

Our **London Yellow Stock Bricks** are manufactured using traditional methods to give the bricks subtle variations in colour and texture rather than the artificial newness of their mass produced counter parts. it has a yellow colour that is very distinctive and its appearance is very soft and comes from the yellow clay from which the London Stock Bricks are made.

size 228 x 110 x 68mm

£ 287.99 (incl. VAT) Per Pallet (400 Bricks)

£ 239.99 (Excl. VAT) Per Pallet (400 Bricks)
