Comments: I refer to the housing SPD, HOUSING STANDARDS PARAGRAPHS 8.00 - 8.33 and in particular 8.14 to 8.19.

In addition I now refer to the MAYOR OF LONDON¿s Supplementary Planning Guidance in particular the requirements of the size standards that The Mayor now requires.

I am concerned that this proposal will not comply with the above standards or indeed building regulations

Even more so I am concerned as to the evidence that will be produced to confirm the claim of 10 years usage referred to in the application. I would expect a rigorous check of the documentation produced to be undertaken.
