Dear Adam

I note that further plans have been submitted in connection with the proposed extensions and alterations to No. 4 Rookfield Avenue. It is not clear whether these plans represent changes to the proposals that have been made after discussion with your department. However, the changes that have been made, which appear almost imperceptible, make no difference to the fundamental objections which have previously been set out both by me, on behalf of Rookfield Management Ltd, and the nearby neighbours. It is encouraging that you have refused permission for an extension to No.8 Rookfield Avenue (HGY/2014/3517) and the same reasons given for the refusal of this application apply to the proposed extension to No. 4.

David Frith
