Comments: "I have no objections whatsoever to this revised planning application HGY/2015/0917. It removes the proposed dormer window on the front roof slope of the property that I, fellow residents and others objected to in the previous application (HGY/2015/0057) that the Council rejected. That was the basis of my objection then and the preservation of the Conservation Area. This revised application has dealt with those concerns.

If HGY/2015/0917 is amended I trust that residents will be given further opportunity to comment.
