Proposa Approval of Details pursuant to Condition 3 (construction management plan and logistics plan) attached to planning application HGY/2-14/2576

The construction logistics arrangements are detailed on drawing TKM_TTM_SP, which indicates that all construction vehicles are to access the site via the retail parks dedicated service and delivery road to the rear of the site. It has also been noted that the waste skip and site office are to be located within the service and delivery yard.

Given the above, the highway and transportation authority does not wish to raise any objection to the discharge of condition 3 attached to planning permission HGY/2014/2576.
