
DRAWING FOR PLANNING APPLICATION PURPOSES ONLY.
NOT FOR CONSTRUCTION.

This is a '**Scheme Level Drawing'** and is intended to illustrate the general arrangement of the project proposals. As it stands this drawing does not include all of the detail necessary for a full plans building regulations application.

While this drawing can be used as a base drawing for construction purposes, your building contractor may require more information. It is therefore important to discuss, with your architect & builder together, where more detail would be appropriate.
