Submission: Objection
Comments: the gates are locked so I cannot see the base or the back of the tree. From what I CAN see, the bark looks healthy. there are two dead boughs in the crown, which should be removed. the tree seems to have been insensitively chopped back over the years. it is unclear if there has ben planning permission for this.

From the street the tree provides a focal point at the end of the cul de sac. its removal would be seriously detrimental to the prospect and to the character of the road.
