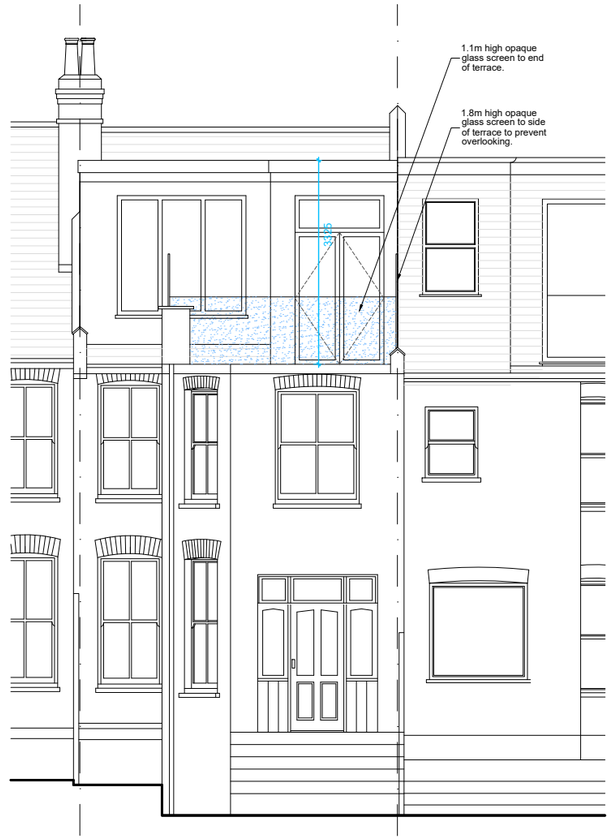
Proposed Front Elevation
Scale - 1:100



Proposed Rear Elevation
Scale - 1:100

Proposed Side Elevation
Scale - 1:100

NOTES

1. This drawing is to be used for planning purposes only and should not be used for construction purposes.
2. Although this is a digital survey the accuracy and amount of detail shown is only commensurate with the graphical scale of the mapping as specified. Care should be exercised when working to larger scales.
3. Whilst every effort has been made to achieve accuracy on this plan CRUCIAL clearance dimensions, levels and invert levels should be checked prior to construction.
4. Copyright: This drawing may not be reproduced without permission.

NOTES
