Dear Miss Emma Williamson,

I live at 12 Caderton Ave N15 6LB and I received a notice for loft extention application for No. 10 Caderton Ave N15 6LB and my comments about it.

I strongly object to this proposal and I need time to consult with my solicitor and professionals. Unfortunatly there has been numerous problems with this neighbour over the years involving Court cases, police injunction, harassement and I am very wary of any joint involvement and I need to know exactly what effect this construction will have on my property. So I would appreciate if I could understand the legal implication of this situation & be given time to answer fairly.

Thanks you for your understanding
