Hi Robbie

I've no objections. The plan and proposed resilience measures seem reasonable. They may wish to add that they should cease taking new bookings during a period of flooding, and should advise customers due to arrive if the hotel is affected by flooding.

To note, the telephone number for my team that they have used (3334) should be replaced with 020 8489 0000 as 3334 would not be answered 24/7.
