Dear Sirs/Madam

I am a resident of Dagmar Road and have received planning application information for 3 Dagmar Road.

I have looked at the plans and see no reason why this extension should not be built.
it is in keeping with the current style of the house and is only a single storey extension, which will not give any inconvenience of restriction of light to the adjacent property 1 Dagmar Road, which is used only as a storage place and is not lived in. It will also not cause any problems to the properties facing 3 Dagmar Road.

I therefore fully support this application

Kind Regards

Nicola Ejedewe / Josh Palmer
