Submission: Objection
Comments: We strongly object to the erection of a rear ground floor single storey extension which extends beyond the rear wall of the original house by 6 metres.
Our 3 main objections are:
OVERSHADOWING - The length, height and closeness of the development would be such that unreasonable overshadowing would occur.
OVERBEARING - The scale of the works means that the property has an oppressive impact on surrounding houses.
OUT-OF-CHARACTER - The scale of the extension is such that it would appear to be out of character with its surroundings.
