Dear Robbie,

RE: HGY/2015/3318 Hale Village Ferry Lane. Erection of portacabins for use as a general practitioner surgery (Use Class D1) to be in place for a period of five years. Associated car parking and landscaping.

Thank you for consulting Transport for London regarding the above mentioned application. TfL has no objection to the principle of the proposal. However, TfL would advise that the applicant provide cycle parking in line with the lLondon Plan on site to promote sustainable Transport to the site.

Kind regards,

Tom
