Comments: Frankly, as long as there's not a 24-hour club on this site, I'm in wholehearted support.

The owner has allowed this property to rot and decay for years and it's become an embarrassing eyesore in the centre of Crouch End.

Do we need another cafe/restaurant in the area? No, not really. But do we need a boarded up, depressingly vacant unit in the centre of the community? No thanks.

Put up as many neon signs as you like Mr Peter Dyer! I'll bring the balloons and the party poppers.
