Dear Sir/Madam

Your ref: HGY/2016/0637.
Rear of 29 Harringey Park N8 9JD
Construction of single family dwelling.

I write to comment on the above application. In April 2012 another application was made on this site, which was refused by the Inspector Isobel McCretton on the grounds that it did not enhance or preserve a conservation area. She also went into considerable detail as to how access and services were unsatisfactory. This has not changed and I therefore would like to voice my objections to this application

Yours faithfully
