Hi Robbie,

Thank you for your e-mail, I have reviewed the conditions regarding the disposal of the surface water and the maintenance programme of the SuDS, these are acceptable, however, do we know if the issue of who (under agreement) will be maintaining the SuDS for the lifetime of the development?. I believe this was the only sticking point unless this was resolved and I've overlooked it.

Kind regards

Ray Matthews
SuDS Officer

Ray,

Would you be able to have a look at the details provided for the above application to discharge the drainage condition on Connaught House?

The developer is ready to get on site so needs the condition signed off to begin works.

Kind regards

Robbie
