Highcroft Road

London

N19 3AQ
Submission: Objection
Comments: I strongly object to this application, as I did to the last one, made by the same applicant. Given the position of the house it is inevitable that the builders will cause massive disruption, chaos and mess crossing back and forth over the section of the Parkland Walk that lies between this property and the nearest public road. It is is a much treasured local amenity whose unique peace and tranquility will be destroyed by these works.
