Subject: HGY/2016/0633 OBJECTION TO ERECTION OF SINGLE STOREY REAR EXTENSION

To whom it may concern

I live at 64 Courtman road and wish to object to the erection of a single storey rear extension on the following basis:
1. OVERLOOKING: The proposal would lead to a previously private area being overlooked.
2. OVERSHADOWING: The height and closeness of the development would be such that unreasonable overshadow would occur.
3. DISTURBANCE: There would be unacceptable intrusion in the form of noise nuisance, general disturbance etc.
4. OVERBEARING: The scale of the work means that the property/premises has an oppressive impact on surrounding areas/houses.

For reasons outlined above, it is my view that planning permission should not be granted.

Regards

Ms Gordon
