Dear Adam Flynn,

I am writing to register my objection to the above planning application.

- The proposed 7 x storey tower block is too tall and out of scale with its surroundings
- The proposal is overbearing and will overshadow the garden spaces of the surrounding houses.
- The 4 x storey housing block along Colina Mews is too tall and will cause overshadowing to the houses and gardens of Harringay Road opposite.
- The 4 x storey housing block proposed for Colina Mews will cause overlooking as well as loss of sunlight and privacy to the back gardens along Harringay Road.
- Moving the parking bays across the Mews to the backs of Harringay road gardens which will cause an increased security risk as well as unwanted noise and air pollution problems.
- If parking bays are relocated to run alongside the back fences of Harringay Road gardens, they will block or reduce our existing access to the mews.

Yours sincerely,
