Page details: **Existing Plans & Section** **Planning** Scale: **1:100 & 1:200 @ A3**	Project: **Loft conversion & terrace area.** Address: **61a Victoria Road, N22 7XA**	*Dimension shown are indicative and must be double checked before ordering materials and any errors or discrepancies are to be reported before proceeding with works. *Structural information should be taken from calculation pages. *Where it is proposed that works are to be carried out on (or may affect) a party wall, the owner is to enter into Party Wall Agreement with the co-owner of the party wall. In some instances it may be prudent for the owner to engage the services of a Party Wall Surveyor to ensure the interests of both parties are preserved. *Where applicable, the owner should ensure that all "build over sewer" agreements with water utility companies have been approved prior to works commencing on site.	sean.rics@gmail.com SL Design Associates Chartered Surveyors, Fire Engineers & Chartered Building Engineers A 002
