Notes

11. Drawings indicate design intent only. The contractor is responsible for all construction, structural, mechanical, electrical and other statutory requirements, codes of practice and local authority requirements. Any deviations from approved drawings must be reported to the Architect before proceeding.
12. Do not scale from drawings. Figured dimensions are to be checked on site.
13. Read in conjunction with all relevant specifications, schedules and other drawings. Any discrepancies to be reported to the Architect before proceeding.
14. The contractor is responsible for ensuring all subcontractors are fully briefed on the scope of work and any relevant specifications, drawings, and schedules prior to commencement of their work.
15. Any deviations from approved drawings must be reported to the Architect before proceeding.
