Reason: In order to ensure the development is carried out in accordance with the approved details and in the interests of amenity.

2. The development hereby authorised must be begun not later than the expiration of 3 years from the date of this permission, failing which the permission shall be of no effect.
Reason: This condition is imposed by virtue of the provisions of the Planning & Compulsory Purchase Act 2004 and to prevent the accumulation of unimplemented planning permissions.

3. The external materials to be used for the proposed development shall match precisely in colour, size, shape and texture those of the existing building. The front facade and resultant gable ends shall match exactly the first floor of the existing frontage and the existing frontage shall be re-rendered at the same time to ensure a seamless appearance between the old and new parts of the building. The rear elevation shall be in an exactly matching brick to that of the first floor rear elevation. Detailing of the proposed windows, bay window, painted brick boundary detail and roof level parapet walls shall match exactly that of the detailing at first floor and roof tiles shall reuse or match precisely the existing roof tiles.
Reason: In order to ensure a satisfactory appearance for the proposed development, to safeguard the visual amenity of neighbouring properties and the appearance of the locality consistent with Policy 7.6 of the London Plan 2015, Policy SP11 of the Haringey Local Plan 2013, Saved Policy UD3 of the Haringey Unitary Development Plan 2006 and South Tottenham Residential Extensions SPD (2013).

4. Notwithstanding the provisions of the Town & Country Planning General Permitted Development Order 2015 or any Order revoking or re-enacting that Order, no changes to the front or side elevations of the dwelling, including the rendered colour, texture and appearance, and window detailing shall be carried out without the grant of planning permission having first been obtained from the Local Planning Authority.
Reason: To safeguard the visual amenities of the area and to prevent an out of keeping development of the frontage by controlling proposed extensions and alterations of the frontage and sides of this dwelling consistent with Policy 7.4 of the London Plan 2015 and Saved Policy UD3 of the Haringey Unitary Development Plan 2006.

5. Before any work is undertaken in pursuance of this permission to add an additional two floors and additional pressure on the original foundations of the dwelling, steps shall be taken by a qualified professional to demonstrate that the additional loading on the ground by the foundations does not exceed the accepted maximum bearing capacity of the ground and works shall be carried out in accordance with the approved structural engineers' drawings.
Reason: In order to safeguard the structural integrity of the building consistent with Policy SP11 of the Haringey Local Plan 2013, Saved Policy UD3 of the Haringey Unitary Development Plan 2006, Policies 7.4 and 7.6 of the London Plan 2015 as well as the 'House Extensions in South Tottenham SPD (2013)'.
