CRANMORE WAY

0 5 10 20 40 METRES

NOTES:

Report all errors and discrepancies promptly to architects before proceeding with the works.
Do not scale drawing. Figured dimensions to be worked to in all cases.
The contractor is responsible for checking dimensions, tolerances and references.
All structural information to be taken from engineers drawings.
All relevant party wall agreements are to be entered into and agreed between owners prior to commencement of works.
All build over agreements with utility companies to be agreed and approved prior to works on site.
