Subject: RE: Hornsey Town Hall - Ardmore/CECAAC Site Meeting

Hi all,

Summary of today's meeting as follows;

T2 Sycamore

- Deadwood to be removed – Miles Barden to contact B. Gibbs (SM to provide contact details)
- Amelioration in form of mulch to be applied with biostimulant consideration.
- Existing Christmas lighting to be unwrapped and rewrapped if possible – notification to residents that it may not be possible depending on condition
- Summary of proposed steps to be provided to Planning and Tree Officers for information – MB to provide detail.

-

T14 Sycamore

- Deadwood to be removed – Miles to contact B. Gibbs (SM to provide contact details)
- Amelioration in form of mulch to be applied with biostimulant consideration.
- Summary of proposed steps to be provided to Planning and Tree Officers for information – MB to provide detail.

-

T3 Red Chestnut

- Felling now deemed necessary.
- Miles to pick up with Bob Gibbs
- Consider leaving stump and working with local arts group – SM has contacted https://bigfunartadventure.org/art-trail/ as potential use
- Replacement tree to be planted in close proximity. Possible black pine – extra standard.
- Will require planning submission.

T27 Weeping Ash

- Tree to be felled – Miles to pick up with Bob Gibbs.
- Planter removed to ground level to allow turning circle and new tree – possible handkerchief tree planted at ground level
- Will require planning submission.

-

T4 Red Maple

- Resin to be cut back 100mm and plaque located within pit
- Will require planning submission.

Silver Birch Transplants

- 3No trees included in latest landscaping plan
- To be issued as NMA

@'Samuel Uff' please can you provide a time that works during next week to run through these items?

Enjoy your weekend. Many thanks,

Head Office | 6 Wharf Studios | 28 Wharf Road | London | N1 7GR
