Hi

The applicant has obviously not specified anything in relation to this....

However, could you please transfer the fee from 2016/1545 across to this application (VOID/2016/1530), and then close/dispose of 2016/1545.

Please let me know if you need any info.

Thanks
Adam

Hi Adam,

RE: *Non-material amendment following a grant of planning permission HGY/2015/1820 in order to replace the phrase "No dwelling" with "No new build dwelling" in Condition 4 (VOID/2016/1530)*

We received an incomplete application letter for the NMA form we issued for condition 4 at Beacon Lodge last night stating that a fee was required. Will this still come through to you?

Regards,

Toby Crane

Hi Adam,

One final question. Would it be easier for you if we send the amended form directly to yourself or go through the planning portal again?

Hi Toby

Yes, we can swap the fee over from one to the other.

Hi Adam,

We would probably look to withdraw the S73 application and resubmit as a NMA. Would it be possible for you to advice us on how fees would work for this? Would the original fee for the S73 cover the change?

Regards,

Toby Crane

Hi Toby

I note that you have made another S73 application, would it not be easiest to combine them into one?

Otherwise you would probably be best withdrawing the S73 for the energy and resubmitting as an NMA.

Adam

Hi Adam,

Thank you for highlighting this. I can confirm that we submitted the wrong form. Would it be possible for you to advice us what the simplest route to amend the application to a non material amendment would be?

Toby Crane
