Dear Mr Altinsoy

My name is Claire Wright and I live at 29 Alford House, Stanhope Road, N6 5AL and am writing to you regarding my objections to planning application reference number HGY/2016/1742. If you are not the appropriate person for this email, please could you kindly forward it on to the correct team.

Unfortunately, I missed out a vital word in point 7 of my objections. It should read "7. We assume that the new penthouse flats would be served by lifts to the newly-created 4th floors as the present lifts only serve the existing ground to third floors. As advised, the freeholders have **NOT** been in touch with the leaseholders and there is no indication as to who would pay for this." - I would like to add the word "not" to my objection.

I hope that this can be taken into account when considering our objections.

Many thanks indeed, and apologies for any inconvenience caused.

Warm regards

Claire Wright
