Dear Madam/Sir,

RE: Planning Application HGY/2016/1552: 4 Alton Road, N17 6JZ

I wish to make you aware of a strong objection that I have with regard to the proposed development of extension to the back of 4 Alton Road, application number referenced above. As an immediate neighbour to the site of the proposed development, I am of the view that the proposed development will have a serious impact on our standard of living. Our specific objection is as follows:

Overshadowing/Loss of light – At present there is limited light into the living room and the proposed extension would make the situation worse.

I would be grateful if the council would take my objection into consideration when deciding this application. I would welcome the opportunity to meet with a representative of the planning department at my home to illustrate my objection at first hand.

Sincerely,

Mrs Hilda Nevers

In reply to your letter dated 20 May 2016, I would like to raise a number of concerns regarding an application by the owners of 4 Alton Road, N17 6JZ:

- Overshadowing and loss of light - At present there is limited light to the kitchen and especially the living room of my property. The proposed extension would make the situation a lot worse.
