This has to be done within 42 days (6 weeks) of receipt of the application. If it is not sent to the applicant within 42 days, then it is deemed that the proposal is acceptable.

In this instance, following the procedures set out in conditions 1- 4, no objections from have been received from the owner or occupier of an adjoining property.

The proposed development would comply with Part 1, Class A, A.1(g) of the Town and Country Planning (General Permitted Development) (England) Order 2015 and therefore prior approval can be granted.
