Thanks Mark.

Yes, we have received that from Lee.

Can you get the application to discharge the condition submitted and then we can pick that up and get it out.

We will continue to chase on condition 14 – nothing to feedback as yet but I have stressed the urgency.

Thanks

John

Afternoon gents,

I trust all is well?

Further to the above/below, I understand our Secured by Design Officer Lee Warwick has emailed confirming the scheme is SbD compliant, with certificates to follow and this enables condition 24 to be discharged in full.

If you can confirm the above was received, it would be much appreciated.

This is also an easy sign off as the evidence has been provided therefore, as discussed, this can be discharged swiftly.

If I could also ask for an update in regard to condition 14, following our conversation on Friday, it would be greatly appreciated. We are keen to get all of this resolved/discharges completed and any subsequent EoT's agreed.

Look forward to hearing from you.

Many thanks,
