Details of the pre-application advice received

An application for LBC is required however as this is clearly a 'like for like' repair, informal submission of the drawing from the conservation metalwork company may allow repairs to commence whilst the application is being prepared and considered.

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
