Application number	CON/2022/0336
Application type	Conservation Area Notification
Site Address:	20 Cecil Road London N10 2BU
Proposal	Remove 3 low overhanging branches. (No scaffold branches will be removed).

RECOMMENDATION:	No Objection	
Application date	22/08/2022	
Tree Inspector	DM	Date: 10 th October 2022

Site

The tree is situated in the rear garden of the property. It is indiscernibly publicly visible from Curzon Road and Rosebery Road.

Due to the minor nature of the proposed works and the level of detail submitted in support of the notification, a site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

Remove 3 low overhanging branches. (No scaffold branches will be removed).

Issues

I hold no objections to what is considered reasonable works, to the lower branches. None of the scaffolds are affected.

This amounts to carrying out ones Common Law Right.

Recommendation

No Objection
