

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	CON/2022/0363
Application type	Conservation Area Notification
Site Address:	10 Ringwood Avenue London N2 9NS
Proposal	Five Day Notice T1 - Oak - Remove to ground level as soon as reasonably practicable. Replace tree with: Species: Quercus robur. Height: 350-400cm Girth: 14-16cm

RECOMMENDATION:	No Objection	
Application date	07/09/2022	
Tree Inspector	DM	Date: 12 th October 2022

Site

The mature Oak *Quercus robur* T1, as marked on the plan, tree is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within a Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:
Five Day Notice

T1 - Oak - Remove to ground level as soon as reasonably practicable.

Replace tree with:

Species: *Quercus robur*.

Height: 350-400cm

Girth: 14-16cm

Issues

I hold no objections to the proposed removal of the Oak.

An Arboricultural Report has been submitted by Thor Trees dated 4th August 2022. I concur with the report regarding the condition of this tree.

This came in as a five notice. Whilst not imminent I did not address at the time. My apologies an oversight on my part.

There is an obligation to re plant dead, dying, and dangerous trees within a Conservation Area. This has been accounted for.

Recommendation

No Objection

Condition: Species: *Quercus robur*.

Height: 350-400cm

Girth: 14-16cm
