Dear Sirs,

Re: Town & Country Planning (Trees) Regulation 1999

I am writing on behalf of the Highgate Conservation Area Advisory Committee with comments on the proposed tree works.

1. 77 Hornsey Lane Gdns: (CON/2022/0269): Remove one limb damaging another, from one London plane at rear.. No objection.
2. 12 Kingsley Place: (CON/2022/0282): Reduction works to various trees at rear. No objection
3. 6 North Grove: (CON/2022/0280): Reduction works to two mature sycamores at rear. No objection.
4. 47 Stanhope Gdns: (CON/2022/0294): Crown lift one horse chestnut that it growing in the garden of 17 Shepherds Close and heavily shading applicant's garden. This is a lovely mature tree. It is difficult to tell from the photo how significant the proposed works would be on the overall shape and health of the tree. It would be helpful if a Tree Officer could visit to advise.
5. 3 Tile Kiln Lane: (CON/2022/0270): Fell 3 conifers and one sycamore at rear on bank between Tile Kiln Lane and Archway Rd. These trees do not form a significant part of the screening from the Archway Rd. However, the reasons given – allowing more light to garden and causing damage to an outbuilding – are not sufficient reason for felling all four of them. Object.
6. 4 Tile Kiln Studios, 1 Winchester Rd: (CON/2022/0268): Reduce two conifers on side of house. Whilst some overall reduction would be acceptable, the shape of the trees must be maintained, so a one-side reduction should not be allowed.

Yours sincerely,

Jan Brooker
