RECOMMENDATION:	No Objection	
Application date	13/07/2022	
Tree Inspector	DM	Date: 31 st August 2022

Site

The various trees T1- T7, as marked on the sketch, are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is within the Rookfield Conservation Area. This protects every tree with a diameter at breast height of 75mm.

Proposal

Tree works proposed:

Address is The Holmewood School, London not Excel English School as detailed in portal.

T1: Sycamore: Remove 5 branches to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T2: Horse Chestnut: Remove 1 branch to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T3: Sycamore: Remove 2 branches to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T4: Sycamore: Remove 2 branches to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T5: Sycamore: Remove 4 branches to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T6: Sycamore: Remove 3 branches to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles. T7: Ash: Remove 1 branch to allow more light into the school entrance area and provide less of an obstruction for high sided vehicles.

Issues

I hold no objection to the proposed tree works. An excellent specification has been provided with marked diagrams of the proposed works.

These pruning works are reasonable and within good arboricultural practice.

Recommendation

No Objection
