Address: 125-127 West Green Road N15.
Rear of a pub.

TPO dead lime tree. Above a working out-building. Dangerous. Its completely dead.

Pictures of the entire tree, branches and logs with root will be taken and provided prior and after it has been dealt with.

Can you please confirm we are good to remove it?

And if there is a condition in terms of re/plant re-place it with another species if not the same is part of the deal with the owner?

Regards,
