Site

The Bay tree T1, as marked on the sketch map, is situated in the rear garden of the property. It is not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is just within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

Proposal

Tree works proposed:

Multi stemmed Bay tree-6m- cut to ground level.

Issues

I hold no objection to the removal of the Bay as the tree has low amenity value and would not be worthy of a Tree Preservation Order.

Recommendation

No Objection
