

PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

Application number	CON/2022/0254
Application type	Conservation Area Notification
Site Address:	43 Palmerston Road London N22 8QJ
Proposal	Removal of Laurel from front of property.

RECOMMENDATION:	No Objection	
Application date	28/06/2022	
Tree Inspector	DM	Date: 8 th August 2022

Site

The Laurel tree is situated in the front garden of the property. It is publicly visible.

A site visit was deemed necessary to determine the appropriateness of the proposed works (26/06/2022 at approximately 11:30am).

The tree is within the Bowes Park Conservation Area. This protects every tree with a diameter >75mm.

Proposal

Tree works proposed:

Removal of Laurel from front of property.

Issues

I hold no objections to the removal of the multi stemmed laurel.

The laurel has gone arborescent and has been reduced before.

Nuisance issues such as damaging the water meter, drives and boundaries have made the tree's location and scale not ideal.

The removal will allow the Cypress tree behind to be revealed and offer all year round interest.

The laurel does not score well when using a methodology to rate the worthiness of a tree preservation order (TPO).

Given the above, the laurel is not worthy of a TPO,

Recommendation

No Objection
