Subject: Re: CON/2022/0310 - 17 Highgate Close N6

Please see the pictures attached below. The tree in the corner is dying and the client wants to plant new trees too. Please see his response below to the comments on the application:

"We see there are currently 2 comments on our application. Other than subsidence, I recall one of the trees is dying, this is being the biggest one that is in the corner? This was also something our neighbour had noticed and seemed to support the removal of that particular tree in particular. We also have plans to replace these these trees by planting new ones."

If you need any more information please let me know.

Many Thanks

Leah Williams
