

# PROTECTED TREE REPORT (TREE WORKS)

Haringey Council, L4, Alexandra House, Station Road, N22 7TY

|                           |                                                                                                                                                                                                                      |
|---------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Application number</b> | CON/2022/0361                                                                                                                                                                                                        |
| <b>Application type</b>   | <b>Conservation Area Notification</b>                                                                                                                                                                                |
| <b>Site Address:</b>      | 76 Twyford Avenue London N2 9NN                                                                                                                                                                                      |
| <b>Proposal</b>           | Bay - cut small stem by fence to ground, remove limb growing over fence back to stem, reduce height by 1m. To prevent damage to fence.<br>Dead plum - fell.<br>Apple - reduce by 1m to allow more light into garden. |

|                         |                     |                                            |
|-------------------------|---------------------|--------------------------------------------|
| <b>RECOMMENDATION:</b>  | <b>No Objection</b> |                                            |
| <b>Application date</b> | 07/09/2022          |                                            |
| <b>Tree Inspector</b>   | DM                  | <b>Date:</b> 12 <sup>th</sup> October 2022 |

## **Site**

The trees are situated in the rear garden of the property. They are not publicly visible.

A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also just within the Muswell Hill Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

## **Proposal**

Tree works proposed:

Bay - cut small stem by fence to ground, remove limb growing over fence back to stem, reduce height by 1m. To prevent damage to fence.

Dead plum - fell.

Apple - reduce by 1m to allow more light into garden.

## **Issues**

I hold no objections to the proposed works and specification.

The pruning is reasonable and within good arboricultural practice.

## **Recommendation**

**No Objection**
