Subject: FW: CON/2022/0430: 54 Shepherds Hill N6 5RR. Fell & replant x 1

CAAC comment:

No objection but we urge the tree office to check in due course that the applicant's replanting plan is implemented, and we suggest that a replacement tree is a condition of the consent as it is a prominent location and the loss of the tree with no replacement would adversely affect the character of the CA.
