- ☐ **Householder development:** Development to an existing dwelling-house or development within its curtilage
☒ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The proposal is to substitute a planted area for reinforced turf grass to allow emergency vehicle access alongside the Unit 8 service area. This will still allow the bodpave area to function as intended. The proposal also included a very minor reduction in landscaping adjacent to the boundary to the south of the substation.

Please state why you wish to make this amendment

The landscape amendments propose only minor alternations to the currently consented scheme. As the proposed amendment is to enable emergency access for fire engines etc, we believe the change can be documented via an NMA application.

Are you intending to substitute amended plans or drawings?

- ☒ Yes
☐ No

If yes, please complete the following details

Old plan/drawing numbers

Approved drawing numbers 10-05H and 29-05J

(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
