RE: High Road West Plot A – TM59 Overheating Report

To whom it may concern,

AECOM has reviewed High Road West Plot A NMA changes (ref: 21-011_WHM Planning Changes Document_220823 REV C.pdf).

AECOM can confirm that the current overheating report (Ref: High Road West -Plot A TM59 Overheating Report Rev07 October 2021- Updated June 2022) was completed on the updated design and aligns with the NMA changes.

Should you have any queries please not hesitate to contact us.

Yours sincerely,

Ross Bates
