Subject: RE: Dead Cherry

Hi Rita,

Please take this e-mail as confirmation to remove the dead tree under a five-day notice.

There is a requirement to re plant dead, dying, and dangerous trees within a Conservation Area.

We generally plant like for like however, it is open to discussion.

Please let us know what tree you intend to re plant with. What ever tree is planted will need to be a standard 10-12cm girth.

Regards,

Daniel Monk
