A site visit was not deemed necessary to determine the appropriateness of the proposed works.

The location is also within the Highgate Conservation Area. This protects every tree with a diameter at breast height (taken at 1.5m) >75mm.

(Works to T1 Lime will be considered via a separate application, ref. HGY/2022/2459 as the tree is protected by a TPO).

Issues

I hold no objections to the proposed reasonable works.

The pruning will take the crown back to the previous reduction points.

The specification is within good arboricultural practice and husbandry.
