Subject: RE: FW: Internal Consultation - App ref HGY/2022/2723 - Brunel Walk - Response to Waste Management Services comments.

Hi Martin,

Thank you for the information below which is very helpful as there was a lot of detail in the planning documents around the waste storage arrangements and I was conscious that I may not have fully understood the proposals.

Based on the additional details you've provided and the input from Richard G; you've addressed the concerns I raised and I don't have any other comments to add.

Kind regards

Ann
